

## ORYEMA FELLOWSHIP IN SOCIAL MEDICINE

SocMed announces a call for applications for the Oryema Fellowship in Social Medicine. Named in honor of Oryema Patrick, a nurse dedicated to equitable health care delivery in Northern Uganda who died in 2011, the fellowship aims to mentor, inspire, and challenge practitioners of social medicine through an at least one year-long endeavor in the coordination and implementation of social medicine education.

### Timeframe

- Call for Applications – July 3<sup>rd</sup>, 2018
- Closing date - July 20<sup>th</sup>, 2018
- Candidate Interviews will be conducted between in late July/early August with final decision by mid-August 2018.
- Fellowship runs from August 15<sup>th</sup>, 2018 to May/June 30<sup>th</sup>, 2019

### Qualifications/Eligibility

- Minimum BA/BS degree; Advanced study in medicine, public health, anthropology, sociology preferred.
- Overseas experience, particularly in resource-poor settings
- Leadership, communication, problem-solving skills
- Flexible and open-minded in new and sometimes challenging environments
- Minimum in-country time in Uganda from approximately December 15<sup>th</sup>, 2018 to Feb. 15<sup>th</sup>, 2019
- Minimum commitment of 15-20 hours per week
- While not absolutely required, the ideal candidate would have geographic connections to Minnesota given that the organization and some of its activities are based in Minnesota, especially from August 15<sup>th</sup>, 2018 through December 15<sup>th</sup>, 2018

### Roles and Responsibilities

- Roles and responsibilities of the fellow will be primarily connected to the following core activities:
  - SocMed/Center for Global Health and Social Responsibility (CGHSR) Twin Cities Fall 2018 Course
  - SocMed Uganda 2019 Course
  - Annual Social Medicine Consortium Spring 2019 Conference
- The set of roles and responsibilities may include, but are not limited to:
  - Participating in research related to teaching/learning of the course including proposal development, data collection, analysis, and writing of manuscripts
  - Serving as SocMed ambassador in Uganda and US through outreach, meetings, casual encounters, as well as . liaison with students from

University of Minnesota, Gulu, Mbarara, and Makerere University in Ugandan.

- 
- Supporting lecture development and managing community visits
- Developing and facilitating course sessions
- Participating in outreach and recruitment for student participants globally
- Organizing fundraising initiatives for SocMed
- Arranging course speakers and developing relationships with potential new course speakers and clinicians
- Regularly updating SocMed website
- Providing logistical support (regular communication with admitted students; coordinating travel plans of international students, work with caterer, organizing in-country transport, organizing printing of course reader, student housing, etc)
- Regular communication with course directors

The ideal specific responsibilities for this fellowship would vary with the level of training of the fellow. We are committed to ensuring the fellow receives quality mentorship throughout the year to accommodate her/his personal and professional goals/objectives. We are not only committed to see that the fellow serves a critical role in ensuring the smooth implementation of a social medicine curriculum, but also achieve an immersive experience in global health.

Since SocMed is a grassroots organization operating with very limited funds, the Oryema Fellowship is, unfortunately, not currently a funded position. SocMed is, however, typically able to cover airfare to/from Uganda and does offer a modest stipend for living expenses incurred while in Uganda, full room/board for the month of the course, and reimbursement for in-country travel and other expenses incurred while attending to the responsibilities of the fellowship. In addition, we are typically able to offer a modest monthly stipend (\$250-500/month) subject to agreement prior to the start of the fellowship. We are unable to cover insurance and living expenses outside of Uganda as well as expenses associated with travel documents, medical services, or recommended immunizations.

If you are interested in the Oryema Fellowship, please send a detailed letter of interest, a copy of your CV, and a letter of recommendation to [socmedglobal@gmail.com](mailto:socmedglobal@gmail.com) by July 20<sup>th</sup>, 2018. The letter of recommendation should be sent directly from the recommender and should assess the candidate's academic and practice interests, leadership, communication, and problem-solving skills as well as his/her capacity to adapt to new environments. Competitive candidates will be offered interviews.

All queries related to the fellowship and/or application process may also be directed to that same email address.

Thank you in advance for your interest in the Oryema Fellowship!
